

# ABOUT AJMAN

**Ajman is the smallest of the seven emirates measuring about 259sq. km. which is about 0.3 per cent of the UAE's area without the islands. Ajman has a few sandy beaches but is mainly characterised by the rugged Hajjar mountain range. Although Ajman city is modern and provides up-to-date services and facilities, it reflects its traditional charm.**

**Ajman lies on the coast of the Arabian Gulf, in the northern part of the UAE. It is 16 km. long and lies between the emirates of Sharjah and Umm Al Quwain.**

# TOP 3 DESTINATIONS

**AJMAN NATIONAL  
MUSEUM**

Ajman Museum is the emirate's foremost museum illustrating life as it once was. The 18th-century fort served as the ruler's residence until 1970, before it was converted into a museum a decade later.

**AL  
ZORAH**

Al Zorah Nature Reserve is a vibrant ecosystem made up of mangroves, turquoise lagoons and sandy beaches, which is home to nearly 58 species of bird including pink flamingo, egret and heron.

**FUNTASTICO**

Funtastico is an outdoor space dedicated to bringing fun for the young ones, friends and the entire family through classic rides and attractions. Funtastico Splash is the UAE's first inflatable water park that is exclusively designated for kids from ages 3 to 13.
