

ABOUT RAK

Ras Al Khaimah is the fourth-largest emirate. It is estimated to have a total population of 345,000. The emirate has a diverse economy, with no single sector contributing more than 30% to overall GDP. It is the fourth-largest emirate and covers an area of 1,684sq. km, which is equal to 3.16 per cent of the total area of the UAE.

The emirate is noted for its varied topography, from the Hajar mountains, to rolling sand dunes to 64 kms of beaches, as well as its adventure tourism attractions.

**SAQR
PARK**

The National Museum houses an impressive collection of archaeological and ethnological artefacts for visitors to explore.

Many rooms inside the Fort are open for public visit and house many archaeological, historical and ethnographical objects on exhibit.

The Jebel Jais mountain peak is part of the spectacular cloud-piercing Hajar mountain range. The range extends from Ras Al Khaimah on the eastern side of the United Arab Emirates to the Musandam Peninsula on the northeastern side of Oman.

Saqr Park is one of the largest in Ras Al Khaimah and offers family-friendly attractions throughout the year.

The expansive Saqr Park is the community parkland in Ras Al Khaimah. It is open all year round and boasts a host of activities for everyone.
