

ABOUT UAQ

Umm Al Quwain is the second smallest and the least populated emirate in the UAE. It covers an area of approximately 720 sq. km. which is equivalent to 1 per cent of the UAE's area.

The emirate has rich coastal mangroves on the coast of Arabian Gulf and many islands that lie to the east of the mainland. The biggest island, Al Seniah, is home to Arabian gazelles, falcons and turtles.

TOP 3 DESTINATIONS

DREAMLAND
AQUA PARK

Umm Al Quwain's largest family water park, Dreamland Aqua Park is located on the emirate's scenic coastline and has become more accessible to tourists from other emirates.

MANGROVE
BEACH

This beach is the first of its kind in the country, promoting eco-tourism by giving importance to the beach's prominent mangroves, which protect the shore from storms and rising sea levels. The mangrove forests, also housing several species of amphibians, plants and birds, are available to be explored at your leisure.

UAQ NATIONAL
MUSEUM

Located inside an old fort that was once the home of the emirate's ruling family, this museum is home to artifacts unearthed at the Ed Dur archaeological site, as well as showcases of the history of warfare in the region.
